June 19, 2010

Hamilton Amphitheater, Novato, California

FOR IMMEDIATE RELEASE: February 16, 2010

Our second annual MarinStock fundraiser is scheduled for June 19, 2010.

The first event, held in October 2009, enabled us to develop our Home Save Project outreach to assist an additional 150 Marin residents (and a few from Sonoma and Alameda Counties). Our 2nd annual fundraiser follows several months of "wins" in human rights by saving the homes of working families from foreclosure! In addition, as part of our ongoing programs, Marin Family Action provides financial literacy programs to youth and adult. "Dozens of families who are in foreclosure have brought stories and urgent need to Marin Family Action seeking help and legal assistance. **MFA** is working to help families fight to keep their homes through any legal means necessary," says Executive Director Manny Fernandez.

"MARINSTOCK Festival Performers are donating their talents to help raise money for these families in this time of crisis and the lineup of artists is impressive."

Our goal is to provide ongoing stability and psychological support for working families in the North Bay; this is the first time in their lives that families working with our Home Save Project have reached out for assistance. MarinStock is a fun, educational, hip, diverse and family oriented event with Bay Area Musicians on the main stage, a healing arts tent, as well as a kid's zone offering arts and crafts, live theater and activities . . . and, of course, food and crafts.

Gates open at 11am; music and performances continue throughout the day until 8pm. We are scheduling performers now. Keep up on progress by visiting the website at www.MarinStock.org.

MARINSTOCK Kids Zone entertainment also includes jumpy house, face painting, conscious carnival games & activates, jugglers, and a "Chill Tent" for feeding and napping. In addition, there will be a Healing Sanctuary for massage therapy, a Market, a Food Zone and a Silent Auction.

MARINSTOCK is sponsored by Marin Family Action
